

North, the element of Earth, the colour green.

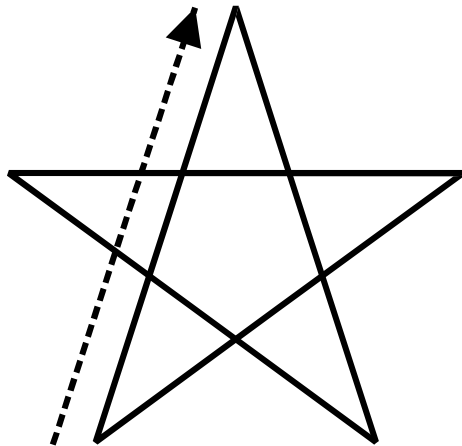

Earth invoking pentagram

O guardians of the watchtower of the north I do summon thee, and call upon you now to witness this rite and protect this circle, bringing it the power of Earth.

We bid you hail and welcome.

Earth banishing pentagram

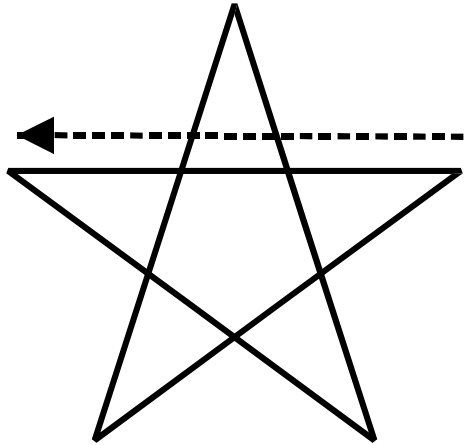

Return to your own realm o guardians of the watchtower of the north, and take for your use any powers of Earth not used here tonight, we bid you hail and farewell.

Hail and farewell.

East, the element of Air, the colour yellow.

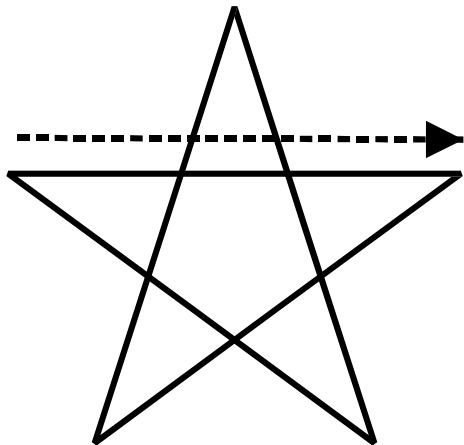

Air invoking pentagram

O guardians of the watchtower of the east I do summon thee, and call upon you now to witness this rite and protect this circle, bringing it the power of Air.

We bid you hail and welcome.

Air banishing pentagram

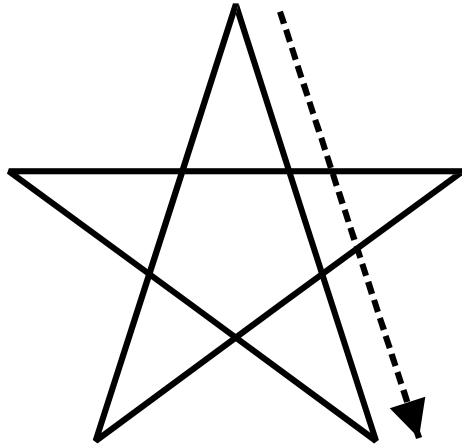

Return to your own realm o guardians of the watchtower of the east, and take for your use any powers of Air not used here tonight, we bid you hail and farewell.

Hail and farewell.

South, the element of Fire, the colour red.

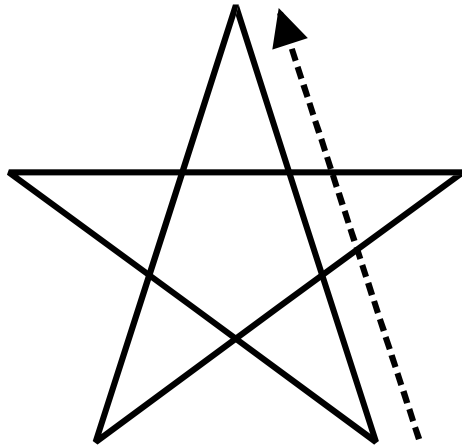

Fire invoking pentagram

O guardians of the watchtower of the south I do summon thee, and call upon you now to witness this rite and protect this circle, bringing it the power of Fire.

We bid you hail and welcome.

Fire banishing pentagram

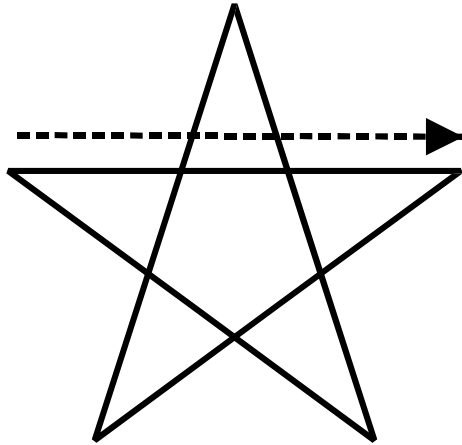

Return to your own realm o guardians of the watchtower of the south, and take for your use any powers of Fire not used here tonight, we bid you hail and farewell.

Hail and farewell.
